ELMO ACCESSORIES AND SOFTWARE

**CRA- 2
Wireless
Tablet**

**Microscope
adapter for
ELMO L-12 series**

**ELMO Interactive
Toolbox**

The CRA-2 Wireless Tablet allows you to walk around the classroom to take a closer look at what the students are doing and engage them easily.

Show your class even the smallest details using the ELMO microscope adapter for the L-12G. The adapter is mounted onto the microscope's ocular, allowing the camera's optics to be attached.

EIT is a complimentary software for the ELMO Visualizer and classroom solutions.
